

Chapter 25: America Moves to the City

Key Concept 1: Different segments of American society led different lives based on socioeconomic status and developed their own culture.

Key Concept 2: Movement of people led to growing populations in America's cities.

Key Concept 3: Immigrants sought to both Americanize and hold on to traditions.

Key Concept 4: Nativist theories were used to justify violence and policies of discrimination.

Key Concept 5: Women and African Americans took advantage of new career opportunities and challenged their perceived "place" in society.
